1 Introduction

The Swiss National Science Foundation (SNSF) aims to track and study the career paths of applicants to postdoctoral SNSF career funding schemes by means of the SNSF Career Tracker Cohorts (CTC) study. The SNSF has mandated the Interfaculty Centre for Educational Research (ICER), in collaboration with the Interdisciplinary Centre for Gender Studies (ICFG) at the University of Bern, to conduct the study. The main goals of the CTC are to monitor the careers of researchers and to identify the impact on career development attributable to the SNSF's career funding schemes (Early Postdoc.Mobility,¹ Postdoc.Mobility, Ambizione, Eccellenza, and PRIMA). For more information about the project, consult the study documentation (Lüthi, Widmer, et al., 2022) and the project website at <http://careertrackercohorts.ch/>.

This documentation describes the third monitoring survey administered to members of the CTC-18 cohort (CTC-18 Monitoring 3 Survey): that is, to researchers who applied for Early Postdoc.Mobility by September 1 or for Postdoc.Mobility by August 1, 2018. The documentation includes a detailed description of the questionnaire, the survey, and the resulting data sets. The appendix contains screenshots of the online questionnaire, codebooks of the data sets (including frequency counts), and facsimiles of survey materials.

2 The questionnaire

2.1 Overview of content

The third monitoring questionnaire consists of seven parts, covering the following topics:

Part 1: Current status of, and information on, the SNSF grant

Part 2: Current employment situation, including research activities

Part 3: Information on the doctorate/PhD (if completed after the previous survey participated in)

Part 4: Occupational history between the base survey and the start of the current working situation

Part 5: Academic mobility and research productivity

Part 6: Career prospects and aspirations

Part 7: Sociodemographic information and life situation

Please consider that most questions in Part 1 (Questions 1 – 48 in the questionnaire: Lüthi, Zimmermann, et al., 2022) are only answered by respondents with a running grant, and that most questions in Part 2 (Questions 49 – 82 in the questionnaire: Lüthi, Zimmermann, et al., 2022) are only answered by those without a running/interrupted grant (except the questions on work-time percentage (65); number of working hours (66); working from home (67, 68); exchange with the network (69); productivity, creativity, and motivation (70); and income (71)).

¹Since 2021, Early Postdoc.Mobility has been integrated into Postdoc.Mobility.

However, there are (almost) identical questions in both parts, for instance regarding position, supervision, and tasks in addition to research. Consequently, in the provided data sets (see Section 4.1), there are sometimes two different variables for (almost) the same questions. In these cases, the variable names are the same except that the variable names for Part 1 have a “g” as a prefix, for example *ginstit* versus *instit*. We added several new questions to monitor the effect of COVID-19 measures on the researchers’ work and lives, such as networks, mobility, or support.

Screenshots of the questionnaire pages are provided in Appendix A.2. In addition, a paper-and-pencil proxy version of the questionnaire, including information on filters and variable names, is provided as a standalone document (Lüthi, Zimmermann, et al., 2022).

2.2 Questions adopted from other studies

Several questions were adopted from previous surveys. The most important sources of the monitoring survey were the “Graduate Survey” of the Federal Statistical Office (2016a, 2016b), the “Career Tracking of Doctorate Holders” of the European Science Foundation (2015, 2017), the questionnaires of “Monitoring European Research Council’s Implementation of Excellence” (MERCIE; Huber et al., 2015), the “Doctoral Candidates and Doctorate Holders Study ProFile” (Institute for Research Information and Quality Assurance, 2015; Tesch, 2015), and the evaluation of the SNSF Doc.CH funding scheme (Lüthi et al., 2019). The detailed sources of all adapted questions can be found below the screenshots of the questionnaire pages in Appendix A.2.

2.3 Questionnaire development

The starting point for developing the questionnaire was the second monitoring questionnaire used for the preceding survey, namely the one used for CTC-19-A (Zimmermann et al., 2022).

2.3.1 Modifications

In the following, we describe the modifications to the second monitoring survey conducted among the CTC-18, the last survey with this cohort (Zimmermann et al., 2021), in order to make the differences within one cohort comprehensible (including modifications before and after pretesting):

General

Questions 1 – 8 refer to a respondent’s past/present/future grant. A respondent may have (had) more than one grant. Thus, in Questions 9 – 32, the previous questions are repeated for as many grants (a maximum of four) as is applicable for the respondent. The respondents are asked about all the grants they had not yet completed at the time of the previous survey they participated in. The year in the instructions regarding the input format has been updated (this appears only if JavaScript is not activated).

Question 67: Percentage working from home

This is a new question.

Question 68: Statements concerning working from home

This is a new question.

Question 69: Sufficiency of exchange with network

This is a new question.

Question 70: Rating of productivity, motivation, and creativity

This is a new question.

Question 96: Contract

Added “I” in “Not applicable, I did not have an employment contract.”

Question 102: Planned research visits not realized

This is a new question.

Question 104: Attended conferences

This is a new question.

Question 105: Items concerning research output and activities

The first answer category was separated into two, distinguishing between on-site and online research conferences.

Question 106: Items concerning flexibility, shortages, and delays

This is a new question.

Question 107: Sufficiency of support

This is a new question.

Questions 108 – 112: Part on career prospects and aspirations

This part is now being asked every year, not every two years.

Question 112: Statement concerning professional future

This is a new question.

Question 113: Well-being

This is a new question.

Question 124: Care responsibilities

Added the answer category “Remote care (e.g. support of family members via phone/internet)”.

Question 127: End of the survey

Deleted “(in regard to the entire survey)”.

2.3.2 Pretesting

The pretesting was conducted among a convenience sample of former academics and current academics. The pretests took place between June 18, 2021, and June 29, 2021, and were conducted face-to-face with the participants, either on-site or online. A team member took notes of all comments voiced by the participant during the cognitive pretest and revised these comments in more detail after concluding the pretest.

We conducted seven cognitive pretests. The sample of pretest participants was chosen such that its composition was heterogeneous along several dimensions (e.g., having received a grant or not; still in research or no longer in research; research domains; gender). Table 1 shows the distribution of the participants.

Table 1: Characteristics of pretest participants

Dimension		Number of participants
SNSF funding grant	No	5
	Yes	2
Doing research in current job	No	5
	Yes	2
Research domain	Humanities and social sciences	5
	Mathematics; natural and engineering sciences	1
	Biology and medicine	1
Gender	Men	2
	Women	5

After each pretesting round, which included one to three pretests, the results were evaluated and discussed by the project team. Based on the findings of each round, we revised the questionnaire content and made technical adjustments where necessary. These revisions and adjustments were tested in the subsequent rounds. The third round of testing revealed no further need for changes and completed the cognitive pretest phase.

2.4 Final implementation

2.4.1 LimeSurvey

The final version of the questionnaire was implemented in the online survey software LimeSurvey 3, hosted on a dedicated server at the University of Bern (LimeSurvey is an open-source product; see <http://www.limesurvey.org/>). Due to the responsive design of the questionnaire, the survey could either be completed on desktop computers or on mobile devices.

Respondents were invited to complete the survey using personalized links. The links were constructed as <https://survey.careertrackercohorts.ch/<surveyid>/<code>>, where *<surveyid>* is the ID of the respective survey and *<code>* is the respondent's identification code for survey access. While completing the survey, it was possible for respondents to navigate back and view or correct the answers they had given on previous screens (including deactivating previously activated radio buttons). Furthermore, it was possible to interrupt the survey and continue on the same screen at a later point in time. All questions in the survey were non-mandatory: it was always possible to move on with the survey after leaving a question unanswered.

When programming the questionnaire, we took care to ensure that the survey's functionality depended as little as possible on the technology of the respondent's device. In particular, we avoided JavaScript as much as possible. We completely abandoned JavaScript in cases where the questionnaire's content would have been affected (e.g., filtering, suppression of specific questions or answer options on a screen, dynamic wording of questions) and used it only for supporting features (e.g., autocomplete feature, calendar widget). If JavaScript was deactivated on a respondent's device so that these features were not working, additional instructions were displayed to support the respondent (e.g., information on the input format in the case of the calendar widget; see Lüthi, Zimmermann, et al., 2022 for details). The JavaScript-based features in the survey were as follows: autocomplete and placeholders in text fields; adding-up of percentages in the question about time spent on research and other activities; automatic activation/deactivation of check-boxes depending on text being entered in an "other" field (or similar); and automatic activation/deactivation of check-boxes in multiple-choice questions to avoid logically inconsistent answers. On the first page (variable *JSbegin*), we recorded whether JavaScript was running or not. As opposed to previous survey, we did not record whether JavaScript was running on the last page (variable *JSend*) for the third monitoring survey of the CTC-18 cohort due to a technical error.

2.4.2 Predefined lists

For some open questions, we used predefined lists of possible answers – as in the previous surveys – to make dynamic suggestions to the respondents (autocomplete feature). After typing at least two letters (country lists) or three letters (all other lists), respondents could select the appropriate answer from a list of matching elements (the list was dynamically updated upon

further typing). However, respondents also had the option to type in a custom answer. We used the following lists:²

List of occupations

For occupations (Question 55), we used an English translation of the “Berufsdatenbank 2017” of the Federal Statistical Office (2018), which we merged with the original “Berufsdatenbank 2017” (Federal Statistical Office, 2017) to obtain ISCO-08 (International Standard Classification of Occupations 2008) codes, and with a list from the International Labour Organization (n.d.) to obtain the labels for ISCO-08. The English list of occupations contained some duplicate job titles corresponding to different ISCO-08 codes; in such cases, we selected the entry with the highest-ranking ISCO-08 code. We also removed some titles that referred to a bachelor’s or master’s degree instead of an occupation. Furthermore, we dropped unclearly specified jobs at universities or research jobs in general, such as “research assistant” or “university lecturer”, since we are interested in the exact occupational title, including the indication of the discipline. The final list we used contained 4,776 job titles (see file CTC-18-Monitoring-3-Occupations.xlsx). This is the same list as we used for the surveys conducted in 2020 (see for example CTC-18-Monitoring-2-Occupations.xlsx).

List of countries

For countries (Questions 38, 60, 86, and 95), we used the English short-form country names available from the state and territory codes (“Staaten- und Gebietsschlüssel”) of the Federal Statistical Office (2019). We removed countries that are not recognized by Switzerland. Furthermore, we added common country abbreviations, namely “UK” and “USA”. The final list we used for the survey contained 195 countries (see file CTC-18-Monitoring-3-Countries.xlsx).

List of research domains and disciplines

For research domains and disciplines (Questions 46, 78 and 85), we used the “SNSF research domains and disciplines” list (Swiss National Science Foundation, 2016), after deleting “other” categories, adding a superordinate category for preventive medicine, and making some minor corrections. Additionally, we expanded the list by adding disciplines that were frequently mentioned in the surveys conducted between 2018 and 2020 (see file CTC-18-Monitoring-3-Disciplines.xlsx).

List of institutions

For universities and other research institutions (Questions 7, 35, 38, 75, and 101), we used the Times Higher Education World University Ranking 2021, which covers 1,000 universities worldwide (University Rankings, 2021). In order to include all Swiss universities, we added the University of Lucerne to the list. Since 2020, the Università della Svizzera italiana has also been on the list under the name of “University of Lugano” and we renamed it “Università della Svizzera italiana”. We also added all institutions of the Times Higher Education World University Ranking 2018 (University Rankings, 2018) that are no longer

²These lists were also used to classify administrative data and survey variables, after applying the following modifications: all higher education institutions reported in the surveys conducted in 2021 were added to the list of institutions.

on the list of 2020 and all higher education institutions specified in the surveys conducted between 2018 and 2020. For the online survey, we rearranged the list such that Swiss universities appeared at the top (see file CTC-18-Monitoring-3-Institutions.xlsx).

2.4.3 Use of administrative data and dependent interviewing

As in the previous monitoring surveys of the CTC-18 cohort, we used administrative data and data from the previous surveys respondents had participated in to reduce the complexity of the survey, minimize the effort required of the respondents, and enhance the data quality. Administrative data was used, for example, to provide information on the application the questions referred to or for filter definitions. The list below shows the variables from administrative records that were used for the third monitoring survey. The variables *IDapplication#*, *scheme#*, and *application#* refer to a respondent's past/present/future grant that received a positive funding decision and had not yet been completed at the time of the previous survey they had participated in. A respondent may have (had) more than one relevant grant. The number is indicated in the variable *gnum*, with a maximum of four relevant grants (see Section 4.5.1 for additional details on specific variables, # = 1-4).

<i>fundingrel</i>	Has relevant grant(s)
<i>gnum</i>	Number of relevant grants
<i>IDapplication#</i>	CTC application ID of previous application #
<i>scheme#</i>	Funding scheme of previous application #
<i>application#</i>	Date of previous application #

The following variables are derived from the most recent survey in which the study participants had taken part, that means either from the base survey (if they did not participate in the monitoring surveys) or from the first or second monitoring survey. This data was used to filter the respondents regarding the questionnaire part of the doctorate/PhD (only respondents who had completed their doctorate/PhD after the last survey they had participated in were asked to provide information).

<i>sphdstart</i>	Data from previous survey: started PhD
<i>sphdend</i>	Data from previous survey: finished PhD

Moreover, some data was gathered by means of dependent interviewing. This is a method used in panel surveys, whereby the respondents are not asked the same questions in every wave again but are provided with questions based on information from administrative records or previous surveys (for more information see, for example, Jäckle, 2008). This survey technique was used at three points in the questionnaire, as described in the next three paragraphs.

First, if respondents had an interrupted or running grant at the time of the previous survey they had participated in (*sscheme* < .) and still had the same grant running at the same host institution (question 34, *sameghostinst* = 1), we displayed the information from the previous survey and asked if it still applied to their current situation (Question 35). If, during the previous survey they had participated in, the respondent did not answer questions related to the

variables *sginstitutname* to *sgovertimeno* in the list below regarding their grant (*sgnoinfo* = 1), the dependent interviewing technique was not applied. The following variables derived from the data set of the previous survey they participated in were used (see Section 4.5.1 for additional details on specific variables).

<i>sscheme</i>	Data from previous survey: interrupted or running scheme
<i>sgstatus</i>	Data from previous survey: status of SNSF grant
<i>sginstitutname</i>	Data from previous survey: name of host institution (removed to preserve anonymity)
<i>sgcntry</i>	Data from previous survey: country in which host institution is located (removed to preserve anonymity)
<i>sginstitut</i>	Data from previous survey: type of research institution (host institution)
<i>sgsector</i>	Data from previous survey: economic sector of host institution
<i>sgposition</i>	Data from previous survey: position
<i>sgsupervis</i>	Data from previous survey: supervisory function
<i>sgsupervisnum</i>	Data from previous survey: number of subordinates
<i>sgcontract</i>	Data from previous survey: received employment contract from host institution
<i>sgworkhreport</i>	Data from previous survey: must report working hours to employer
<i>sgovertimetime</i>	Data from previous survey: overtime compensation: yes, by taking time off
<i>sgovertimepay</i>	Data from previous survey: overtime compensation: yes, by claiming extra pay
<i>sgovertimeno</i>	Data from previous survey: overtime compensation: no
<i>sgnoinfo</i>	Data from previous survey: no information about grant available

Second, if respondents were employed at the time of the previous survey they participated in (*sempl* = 1) and still had the same (primary) job with the same employer at the time of the second monitoring survey (Question 53, *samejob* = 1), we displayed the information from the previous survey and asked if it still applied to their current situation (Question 54). If, during the previous survey they participated in, the respondent did not answer the questions related to the variables *soccup* to *sovertimeno* in the list below regarding their job (*sjobnoinfo* = 1), the dependent interviewing technique was not applied. The following variables, derived from the data set of the previous survey they participated in, were used (see Section 4.5.1 for additional details on specific variables).

<i>sdatefield</i>	Data from previous survey: date of most recent survey fielded
<i>sdatepart</i>	Data from previous survey: date of survey participated in
<i>sempl</i>	Data from previous survey: currently engaged in paid employment
<i>sjobnum</i>	Data from previous survey: one or several jobs
<i>soccup</i>	Data from previous survey: occupation (removed to preserve anonymity)
<i>sprofstatus</i>	Data from previous survey: current professional status

<i>semplnum</i>	Data from previous survey: number of employees
<i>ssupervis</i>	Data from previous survey: supervisory function
<i>ssupervisnum</i>	Data from previous survey: number of subordinates
<i>sbudget</i>	Data from previous survey: budget responsibility
<i>sbudgetnum</i>	Data from previous survey: current annual budget (removed to preserve anonymity)
<i>semplcntry</i>	Data from previous survey: country of employment (removed to preserve anonymity)
<i>ssector</i>	Data from previous survey: economic sector of current job
<i>scontract</i>	Data from previous survey: permanent or fixed-term contract
<i>scontractnum</i>	Data from previous survey: contract duration
<i>sworkhreport</i>	Data from previous survey: must report working hours to employer
<i>sovertimeime</i>	Data from previous survey: overtime compensation: yes, by taking time off
<i>sovertimepay</i>	Data from previous survey: overtime compensation: yes, by claiming extra pay
<i>sovertimeno</i>	Data from previous survey: overtime compensation: no
<i>sjobnoinfo</i>	Data from previous survey: no information about job available

Third, those who already had a child, or several children, at the time of the previous survey they participated in (*schildren* = 1) were shown the number of children they had indicated at that time (*schildrennum*) and asked if another child had been born in the meantime (Question 116). The following variables derived from the data set of the previous survey they participated in (base survey, first monitoring survey, or second monitoring survey) were used (see Section 4.5.1 for additional details on specific variables).

<i>schildren</i>	Data from previous survey: has children
<i>schildrennum</i>	Data from previous survey: number of children

3 The survey

3.1 Study population and invited applicants

Table 2 gives an overview of the study population and the number of applicants invited to take part in the third monitoring survey. The study population of the CTC-18 cohort comprises all researchers who applied to the SNSF career funding scheme Postdoc.Mobility by August 1, 2018, or to the scheme Early Postdoc.Mobility by September 1, 2018, whose submitted documents passed the formal examination, whose application was not a follow-up proposal for an ongoing grant from an earlier application, and who did not withdraw their application before September 22, 2018. Applicants were included in the study irrespective of whether their applications turned out to be successful or not (see Jann et al., 2019 for more information).

Researchers in the study population who had completed the base survey at least partially in fall 2018 were invited to participate in the third monitoring survey.³

Table 2: Study population and invited applicants for CTC-18 Monitoring 3 Survey

	Early Postdoc.Mobility	Postdoc.Mobility	Total
Study population (net number of applicants)	308	142	450
Number of applicants who did not take part in base survey in fall 2018	22	10	32
Number of applicants invited to take part in 3rd monitoring survey in spring 2022	3	0	3
Number of applicants invited to take part in 3rd monitoring survey in fall 2021	283	132	415
Percent of study population	91.9	93.0	92.2

3.2 Field work

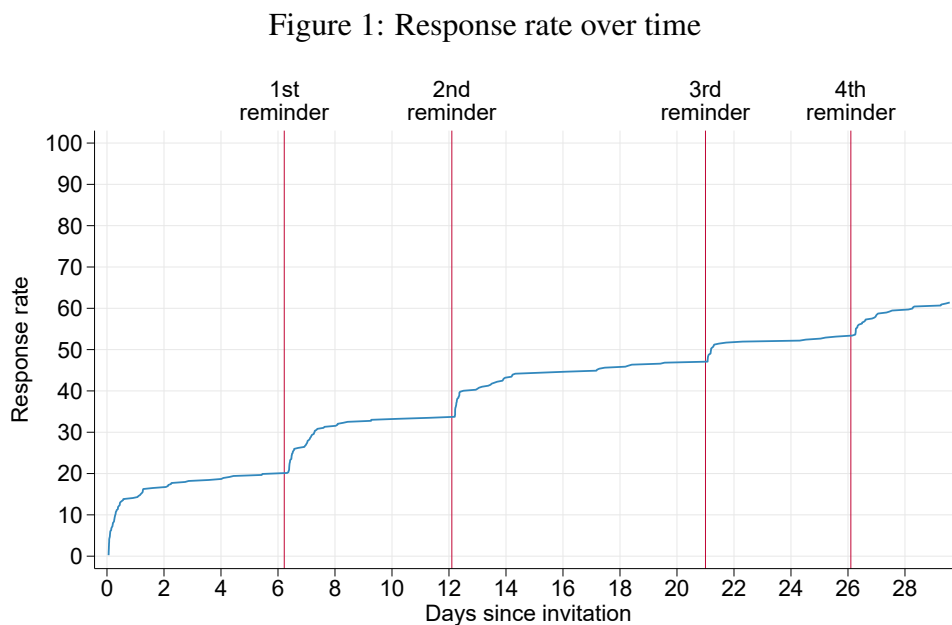

The field phase of the data collection started on October 14, 2021. The applicants were invited by email to participate in the survey of the CTC study on Thursday, October 14, at 10:50, using the mailing feature of LimeSurvey (see Section 2.4.1 for more information on LimeSurvey). These emails contained a personalized link for participants to start the online survey. A first reminder email containing the personalized survey link was sent out six days after the initial invitation, on Wednesday, October 20, to all people who had not yet responded (330 emails, sent at 18:12). One person received the reminder on October 21 at 11:18. Another six days later, on Tuesday, October 26, further reminders were sent out. The SNSF sent a reminder email, including a thank you message (204 emails, sent at approximately 14:15), to all those who had received a positive funding decision in response to their most recent application and had not withdrawn their grant in the meantime. Shortly afterwards, and as announced in the message sent by the SNSF, the project team at the University of Bern sent an email containing the personalized survey link to all those applicants who had received a positive funding decision for their most recent application and who had not yet participated up to this point (112 emails, sent at 14:19). To all other invited people who had received a negative funding decision or withdrawn their most recent submission, and who had not yet completed the second monitoring survey, the project team sent a second reminder email (164 emails, sent at 14:24).

³In spring 2019, we again invited respondents to take part in the base survey who had submitted another application and who had only partially completed the base survey in fall 2018. Three of them had fewer missing responses in the base survey in spring 2019 than in the base survey in fall 2018. Therefore, we invited these people to take part in the third monitoring survey in spring 2022 (*noinvitreas* = 3).

On Wednesday, October 27, we sent a postal letter to all people who had not yet participated in the second monitoring survey (161 letters).⁴ Since we could not be sure that all people had read the invitation and reminder emails, this message was written in the form of an invitation letter. On Tuesday, November 9, a final reminder email was sent (194 emails, sent at 15:34) in which the remaining applicants were asked to complete the survey by Friday, November 12. Since no valid email address could be found for two study participants until Monday, October 14, a postal invitation letter was sent to them on that day. The online survey finally closed on Tuesday, December 1. Facsimiles of all messages are provided in Appendix A.1.

3.3 Response rate

Figure 1 displays how the response rate⁵ developed over time. As can be seen, each reminder had a clear effect on the response rate. Most responses occurred within one or two days after receiving the invitation or reminder message, and the curve levels off afterwards.

Note: Only the time axis of the official survey duration is shown. Only reminder emails are drawn in (postal letters are not displayed).

⁴Another 82 letters could not be sent because of invalid postal addresses.

⁵The response rate is calculated as the number of completed interviews divided by the number of all invited people (people who could not be invited are excluded).

Those who had not participated in the survey by the day after the third reminder email were sent a postal invitation letter. On October 21, 161 postal invitation letters were delivered, and a further 82 letters could either not be delivered or were not sent because no valid address was available even before sending.

Analyses show that survey participation was higher for those people whose invitation letter could be delivered (40%) than for those whose letter could not be delivered (27%). However, it remains unclear whether those people whose invitation letter could not be delivered would have reacted differently to the postal invitation letter.

In total, 256 of the 415 who were invited to participate completed the survey, which results in a response rate of 62% (see Table 3). Of the whole study population, 57% completed the survey. The questionnaire is considered to have been completed if at least 70% of all applicable questions were answered (see Section 4.5.1, variable *status*).

Comparing grantees (i.e., those who received a positive decision in response to their application in fall 2018) and non-grantees (i.e., those who received a negative decision in response to their application in fall 2018, or who withdrew their submission before the decision date) reveals a clear difference in the response rate. Among the grantees, 74% (166 of 224) completed the second monitoring survey, while among the non-grantees, 47% (90 of 191) took part in the survey.

Table 3: Number of respondents and response rate

	Grantees ^a		Non-grantees ^b		Total	
	<i>N</i>	Percent	<i>N</i>	Percent	<i>N</i>	Percent
Number of invited applicants	224	54.0	191	46.00	415	100.0
Participated before 1st reminder	61	27.2	22	11.6	83	20.0
Participated before 2nd reminder	98	43.8	40	21.0	138	33.3
Participated before 3rd reminder	135	60.3	57	29.8	192	46.3
Participated before 4th reminder	148	66.1	71	37.2	219	52.8
Total participation	166	74.1	90	47.1	256	61.7

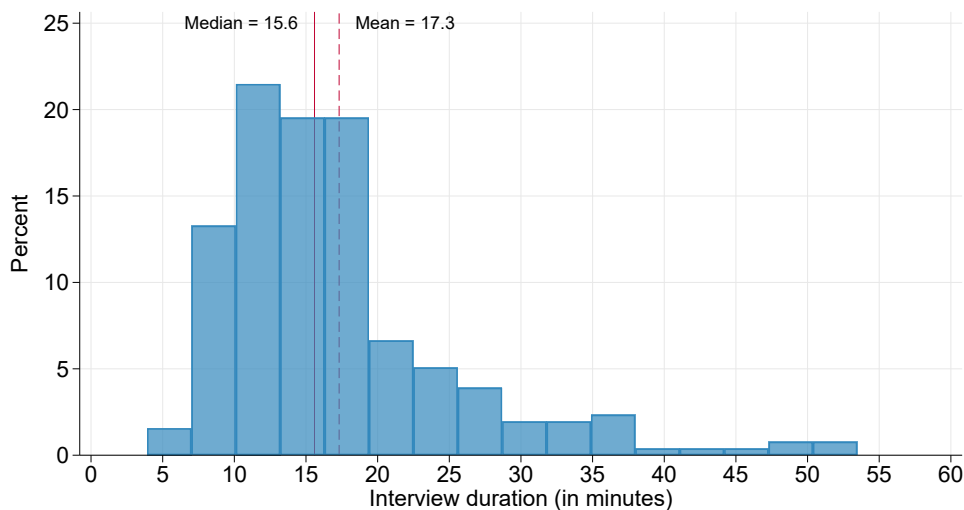

^a Grantees include all study participants who received a positive decision in response to their submitted application in fall 2018.

^b Non-grantees include all study participants who did not receive a positive decision in response to their submitted application in fall 2018 (including participants who withdrew their application before the decision date).

3.4 Interview duration

The distribution of the duration of interviews is shown in Figure 2 (including only completed questionnaires, i.e., excluding respondents who broke off the interviews). The mean interview duration was 17.3 minutes and the median was 15.6 minutes. Overall, 75% of the participants completed the questionnaire within 19.3 minutes.

Figure 2: Interview duration (completed questionnaires only)

Note: The interview duration of one person is not displayed in the figure (duration = 128 minutes).

One goal of using the dependent interviewing technique (see Section 2.4.3) was to shorten the interview duration. This goal was achieved, as can be seen by comparing with previous waves (see for example Widmer et al., 2020a, 2021).

4 The data

4.1 Provided data sets

The CTC data is split into two files: a main data file (CTC-18-Monitoring-3.*) and an auxiliary data file (CTC-18-Monitoring-3-AUX.*). The main file should be sufficient for most analyses. If a variable from the auxiliary file is needed, the two files can be merged by matching on the variable *IDperson* and the variable *IDapplication*. The auxiliary file contains original (unedited) survey responses for those variables that have been edited during data preparation (using the suffix *_raw* for the original variables),⁶ variables with data from the previous survey used for the dependent interviewing, original (unedited) variables of the dependent interviewing collected in the second monitoring survey, time stamps of the survey pages (*timepage1*, etc.), as well as a number of technical variables (e.g., *surveyduration*).

⁶Apart from the variable *comments*, which has been removed to preserve anonymity; see the detailed data preparation comments in Section 4.5.

The CTC-18-Monitoring-3 data sets (CTC-18-Monitoring-3.* and CTC-18-Monitoring-3-AUX.*) can be merged with the previous waves of the survey (CTC-18-Base.*, CTC-18-Base-AUX.*, CTC-18-Monitoring-1.*, CTC-18-Monitoring-1-AUX.*, CTC-18-Monitoring-2.* and CTC-18-Monitoring-2-AUX.*) by matching the variable *IDperson* and the variable *IDapplication*.

Note that, if people submitted other applications and are also part of the study population of other cohorts, the corresponding administrative data (and survey data) can be found in the data sets of these other cohorts. People are interviewed within the cohort of the year in which they apply for the first time and for which they meet the criteria to be part of the study population (see Section 3.1). However, in the event that they did not (partially) complete the base survey within that cohort, they are interviewed within the next cohort (i.e., the cohort of the year in which they apply later on).

4.2 Linkage with administrative records

Some of the variables in the final data set are based on administrative records that were provided by the SNSF (e.g., information about SNSF career funding). To protect the privacy of the respondents and to guarantee the independence of the CTC data from the SNSF’s administrative processes, identifying information, such as the exact places of residence, is not included in the CTC data. Furthermore, we use a CTC person ID (variable *IDperson*) and a CTC application ID (variable *IDapplication*) that are different from the person ID and application ID maintained by the SNSF administration. The CTC person ID contains eight digits and is randomly assigned within a cohort, with the first two digits identifying the first cohort which the person is part of. The CTC application ID contains seven digits and is also randomly assigned within a cohort, with the first two digits identifying the cohort. The variables based on the SNSF administrative records are as follows (# = 1-4).

<i>residence</i>	Place of residence (categorized; see below)
<i>fundingstatus</i>	Status of SNSF grant applied for between 08/2018 and 09/2018
<i>fundingrel</i>	Has relevant grant(s)
<i>gnum</i>	Number of relevant grants
<i>scheme#</i>	Funding scheme of previous application #
<i>application#</i>	Date of previous application #

The variables *residence* and *fundingstatus* correspond to the information recorded in the SNSF administrative data in September 2021. The variables *fundingrel*, *gnum*, *scheme#*, and *application#* also refer to this data set or – if the participant submitted an application at a later point in time and received a positive funding decision – to the corresponding SNSF administrative data sets. Please consider that former applicants are not obliged to keep their information up to date in the SNSF administrative data. Consequently, the variable *residence* may not be up to date.

4.3 General data preparation steps

Data preparation was conducted in line with the following general principles (additional details on specific variables can be found in Section 4.5).

- Assign informative missing values (see Section 4.4).
- Create a variable with suffix *_raw* containing the original information if a variable requires editing.
- Check whether filters are consistent, and correct if necessary.
- Make the data consistent for questions that have an “other” text field by ticking the “other” option if text has been provided (such inconsistencies could occur if JavaScript was not running).
- Examine all “other” text fields and, if possible, assign one of the predefined response categories; delete the open text if assignment is possible.
- Import values from the survey data of the previous survey participated in to the corresponding variable, if information from the previous survey applies to the current situation (for details, see Section 4.5.1).
- Check numerical/date answers (e.g., whether within plausible range), and correct if necessary.
- Use the first answer if a respondent provided multiple answers (in text fields where this was possible; e.g., countries, institutions).
- Delete values of variables filled in by LimeSurvey if a respondent visited only the welcome page (*surveystart*, *surveyend*, *surveyduration*, *lastpage*).
- Delete values of variables filled in by LimeSurvey if a respondent visited only the welcome page (*surveystart*, *surveyend*, *surveyduration*, *lastpage*).

4.4 Classification of missing values

Missing values have been assigned according to the following classification (exceptions are the time stamp variables and variables derived from information from previous surveys, for which we did not classify the missing values).

Unit-nonresponse:

- .a No invitation
- .b No participation (invited, but did not participate)

Item-nonresponse:

- .f Technical error
- .g Break-off
- .h No answer / Not available
- .i Invalid data

Missing values due to filters:

- .z [Reason 1 for the filter of the current question]
- .y [Reason 2 for the filter of the current question]
- .x [Reason 3 for the filter of the current question]
- ...

4.5 Details on selected variables

4.5.1 Main data set

IDapplication

The variable *IDapplication* refers to the application submitted shortly before the base survey, and can be identical with one of the variables *IDapplication#*.

fundingrel

The variable *fundingrel* contains information on whether the respondents had at least one application for an SNSF postdoctoral funding scheme with a positive funding decision, also considering also the status of such relevant grant(s). *fundingrel* is 1 if a person had at least one application with a positive funding decision and had not yet completed the respective grant(s) in the previous survey they participated in. Otherwise, *fundingrel* is 0, also if the applicant withdrew the application(s) before the decision date.

gnum

The variable *gnum* contains the number of relevant grants, i.e., the number of received grants that had not yet been completed in the previous survey participated in.

IDapplication#, scheme#, application#

The variables *IDapplication#*, *scheme#*, and *application#* contain the CTC application IDs, the names of funding schemes, and the dates of application respectively, and refer to the grants that are relevant for Part 1 of the survey, i.e., the number of received grants that had not yet been completed in the previous survey participated in.

status

The participation status was determined as follows. If *highpage* (the highest questionnaire page delivered to the respondent) was missing, *status* was set to 1 (“no participation”). Based on the suggestions given by the “American Association for Public Opinion Research” (AAPOR; American Association for Public Opinion Research, 2016), the value 3 (“complete”) was assigned to all those who answered at least 70% of the applicable questions. For the remaining participants, the participation status was set to 2 (“partially complete”).

residence, ginstitplace#, gplace, emplplace, phdplace, histplace#, rvisitplace#

To preserve anonymity, country names other than Switzerland were replaced by regions (e.g., Central Europe, Northern America, Africa) based on the Federal Statistical Office (2019); also see file CTC-18-Monitoring-3-Countries.xlsx. *phdplace*: If respondents did not indicate the country in which the PhD was awarded (Question 86), but specified the

university, we added the place based on the university information. *rvisitplace#*: For research visits, the places of the institutions were obtained from the institution variables (the institution variable was removed to preserve anonymity).

ginstit#rank, ginstitrank, institrank, phdunirank, rvisitinstit#rank

The ranks of the institutions were obtained from the “Times Higher Education World University Ranking 2021” (University Rankings, 2021); also see file CTC-18-Monitoring-3-Institutions.xlsx. To preserve anonymity, the names of the institutions were not included in the data, and the ranks were categorized.

ginterrunning

This variable was created before reaching page 41. It contains information on whether respondents have a currently interrupted or running funding scheme. If one of the variables *gstatus1*, *gstatus2*, *gstatus3*, and *gstatus4* had the value 3 “currently interrupted” or 4 “running”, the variable *ginterrunning* was set to 1 “yes”.

grunning

This variable was created before reaching page 41. It contains information on whether respondents had a running funding scheme. If one of the variables *gstatus1*, *gstatus2*, *gstatus3*, and *gstatus4* had the value 4 “running”, the variable *grunning* was set to 1 “yes”.

scheme

This variable was created before reaching page 41. It contains the name of the running scheme (if respondents had a running scheme at the time of the survey). If one of the variables *gstatus1*, *gstatus2*, *gstatus3*, and *gstatus4* had the value 4 “running”, the corresponding scheme from the variable *scheme1*, *scheme2*, *scheme3*, or *scheme4* was taken over.

gtermcompl

This variable was created before reaching page 41. It contains information on whether respondents had terminated prematurely or completed at least one of the funding schemes displayed in Part 1 of the survey (*scheme1*, *scheme2*, *scheme3*, or *scheme4*). If one of the variables *gstatus1*, *gstatus2*, *gstatus3*, and *gstatus4* had the value 5 “terminated prematurely (i.e. not completed)” or 6 “completed”, the variable *gtermcompl* was set to 1 “yes”.

gendprev

This variable was created before reaching page 41. It contains the end date of the grant which was running/interrupted at the time of the previous survey they participated in. If either *scheme1*, *scheme2*, *scheme3*, or *scheme4* corresponds to *sscheme* and was terminated prematurely or completed, the variable *gendprev* contains the corresponding date.

ginstitrank

If the name of the host institution indicated in the previous survey participated in still applied to the current situation (*sameginstitname* = 1), the ranking of the host institution was imported from the data set of that previous survey.

gplace

If the place where the host institution is located as indicated in the previous survey participated in still applied to the current situation (*samegcntry* = 1), the value was imported from the data set of that previous survey.

ginstit

If the type of host institution indicated in the previous survey participated in still applied to the current situation (*sameginstit* = 1), the value was imported from the data set of that previous survey.

gsector

If the economic sector indicated in the previous survey participated in still applied to the current situation (*samegsector* = 1), the value was imported from the data set of that previous survey.

gposition

If the position indicated in the previous survey participated in still applied to the current situation (*samegsupervis* = 1), the value was imported from the data set of that previous survey.

gsupervis, gsupervisnum

If the supervisory function and the number of subordinates indicated in the previous survey participated in still applied to the current situation (*samegsupervis* = 1), the values were imported from the data set of that previous survey.

gcontract

If the contract information indicated in the previous survey participated in still applied to the current situation (*samegcontract* = 1), the value was imported from the data set of that previous survey.

gworkhreport

If the information regarding reporting working hours to the employer indicated in the previous survey participated in still applied to the current situation (*samegworkhreport* = 1), the value was imported from the data set of that previous survey.

govertime, govertimepay, govertimeno

If the type of overtime compensation indicated in the previous survey participated in still applied to the current situation (*samegovertime* = 1), the values were imported from the data set of that previous survey.

gactivityres, gactivityteach, gactivityadmin, gactivityclin, gactivityoth

Respondents were asked to report percentages for the different activities, summing up to 100%. We rescaled the values if this was not the case (some respondents who were employed part-time provided answers summing up to their work-time percentage). Furthermore, we recoded missing values to 0 if at least one value was provided.

empl

If the question on the current employment status (Question 49) remained unanswered, an appropriate value was imputed depending on whether the answers to the subsequent questions indicated that the respondent was employed or not.

occup

If the occupation indicated in the previous survey participated in still applied to the current situation (*sameoccup* = 1), the value was imported from the data set of that previous survey. To preserve anonymity, only the ISCO-08 code of the occupation was included in the data, but not the original response. The occupations were classified based on the Federal Statistical Office; also see file CTC-18-Monitoring-3-Occupations.xlsx.

profstatus, emplnum

If the professional status and the number of employees indicated in the previous survey participated in applied to the current situation (*sameprofstatus* = 1), the values were imported from the data set of that previous survey.

supervis, supervisnum

If the supervisory function and the number of subordinates indicated in the previous survey participated in applied to the current situation (*samesupervis* = 1), the values were imported from the data set of that previous survey.

budget, budgetnum

If the budget responsibility and the annual budget indicated in the previous survey participated in applied to the current situation (*samebudget* = 1), the values were imported from the data set of that previous survey. Foreign values were converted to CHF (and rounded to integers), based on the exchange rates obtained from finanzen.ch (2021) on October 14, 2021. *budgetnum*: In the survey, respondents had the possibility of providing budget values in foreign currencies. These values were converted to CHF (and rounded to integers), based on the exchange rates obtained from finanzen.ch (2021) on October 14, 2021. To preserve anonymity, the original responses are not included in the data.

emplplace

If the country of employment indicated in the previous survey participated in applied to the current situation (*sameemplcntry* = 1), the value was imported from the data set of that previous survey.

sector

If the economic sector indicated in the previous survey participated in applied to the current situation (*samesector* = 1), the value was imported from the data set of that previous survey.

contract, contractnum

If the kind of contract – and, in case of a fixed-term contract, the duration of the contract – indicated in the previous survey participated in applied to the current situation (*samecontract* = 1), the values were imported from the data set of that previous survey.

workhreport

If the information regarding reporting working hours to the employer indicated in the previous survey participated in applied to the current situation (*sameworkhreport* = 1), the value was imported from the data set of that previous survey.

overtimetype, overtimepay, overtimeno

If the type of overtime compensation indicated in the previous survey participated in still applied to the current situation (*sameovertime* = 1), the values were imported from the data set of that previous survey.

workperc

Total of *workpercmain* and *workpercoth*, if at least one of the variables is non-missing (treating missing as 0 on the other variable).

workpercmain, workpercoth

One respondent reported unrealistic contractual work-time percentages, namely 100% for the primary job and 100% for the other job. Based on the indicated working hours *workhmain* and *workhoth* the percentages were scaled to a total of 100%.

workh

Total of *workhmain* and *workhoth*, if at least one of the variables is non-missing (treating missing as 0 on the other variable).

inc

Total of *incmain*, *incoth*, and *incextra*, if at least one of the variables is non-missing (treating missing as 0 on the other variables).

incmain, incoth, incextra

In the survey, respondents had the possibility of providing income values in foreign currencies. These values were converted to CHF (and rounded to integers) based on exchange rates obtained from finanzen.ch (2021) as of October 14, 2021. To preserve anonymity, the original responses are not included in the data. *incmain*: We assumed that four-digit values corresponded to monthly earnings and multiplied them by 13 (one case) unless a four-digit value seemed realistic given the occupational situation; and we assumed that two-digit values corresponded to yearly earnings in thousands and multiplied them by 1000.

fingrantsnsf, fingrantoth, finprojsnsf, finnothird, finmandate, finbusiness, finoth

Respondents were asked to report percentages for the different financial sources of their current research job(s) that sum up to 100%. We rescaled the values if this was not the case (some respondents who were employed part-time provided answers summing up to their work-time percentage). Furthermore, we recoded missing values to 0 if at least one value was provided.

activityres, activityteach, activityadmin, activityclin, activityoth

Respondents were asked to report percentages for the different activities that summed up to 100 percent. We rescaled the values if this was not the case (some respondents who

were employed part-time provided answers summing up to their work-time percentage). Furthermore, we recoded missing values to 0 if at least one value was provided.

phddomain

The variable *phddomain* contains a categorization of *phddiscipline* into three main research domains according to the SNSF classification; also see the file CTC-18-Monitoring-3-Disciplines.xlsx.

childrennum, child#

If, in the dependent interviewing (Question 116), respondents indicated the same number of children with the same birth years as are already included in the data from previous surveys, the reported information (*childrenbnum, child#*) was not added to the variables *childrennum* and *child#*.

4.5.2 Auxiliary data set

JSbegin

The variable *JSbegin* contains information on whether the participants activated JavaScript at the beginning of the survey or not. Depending on individual filters, the beginning of the survey was on page 1 (*JSpage1*) or on page 58 (*JSpage58*).

missing

The percentage of missing values is defined as the number of valid answers divided by the number of all applicable survey items. We included all relevant numerical survey variables (excluding additional variables computed from these variables), as well as all relevant string variables (excluding “other” fields and comments), in the calculation. Missing values due to technical errors are calculated as valid answers (not existing in these data sets).

highpage

Information on the highest survey page provided to the respondent was derived from information in *lastpage* and the *timepage#* variables. *highpage* is equal to *lastpage* if none of the time stamps indicates that a later page was viewed. Otherwise, *highpage* is set to the highest page with a non-missing time stamp.

sdatefield, sdatepart

sdatepart: The variable *sdatepart* corresponds to the month in which the participants (partially) completed the previous survey (i.e., the base or first monitoring survey). *sdatefield*: The variable *sdatefield* is identical to the variable *sdatepart* if respondents participated in the first monitoring survey. If they had not (partially) completed the second monitoring survey, *sdatefield* refers to the month in which the field phase primarily took place. They correspond to the variable *sdate* in the second monitoring survey of CTC-18.

sgposition

The value was set to missing if the respondents ticked the “other” check-box in the question related to the variable *gposition*.

ssupervis

The value was set to missing if the question related to the variable *supervisnum* was not answered in the previous survey participated in or if invalid data was provided.

scontract

The value was set to missing if the question related to the variable *contractnum* was not answered in the previous survey participated in or if invalid data was provided.

snores

The variable *snores* contains information on whether the respondent had already answered the question about the reasons why he/she is not employed as an academic researcher in a previous monitoring survey.

schildren

The value was set to missing if the question related to the variable *childrennum* was not answered in the previous survey participated in or if invalid data was provided.

4.5.3 Removed variables

As described in the detailed descriptions above, some information collected in the survey has been removed or reclassified to preserve anonymity. In addition, the open comment field on the last survey page (variable *comments* in Lüthi, Zimmermann, et al., 2022) has been dropped.

All other open text fields in the survey have been checked manually to ensure that they do not contain identifying information. If this was the case (e.g., specification of country names, institution names), these details were replaced by placeholders (e.g., “Sweden” replaced by “[country]”).

4.6 Data quality

4.6.1 Survey break-offs

13 respondents started the survey but broke off. Table 4 indicates the pages on which these respondents stopped answering the survey. There is no evidence of a particular question causing these break-offs.

Table 4: First page not answered in case of break-off

Page	Variable	<i>N</i>
58	empl	1
61	jobnum	1
71	sector	1
77	workhomespace-workhomedem	1
80	inc	2
82	mandate	2
85	position	1
89	activityres-activityoth	2
132	carechild-careno	1
135	comments	1
Total		13

4.6.2 Item-nonresponse

In general, item-nonresponse was low, with a proportion of missing values below 5% for most variables. Table 5 displays all variables with more than 5% missing values in descending order.

Table 5: Variables with a high proportion of missing values

Variable	Number of persons supposed to answer	Number of nonresponses	Percentage of nonresponses
confoutentrynum	259	241	93.05
confinentrynum	259	219	84.56
inextrachf	249	140	56.22
confonlinenum	259	86	33.20
childrennum	84	17	20.24
workhomebound	229	25	10.92
workhomedem	230	25	10.87
workhomeeff	229	24	10.48
workhomespace	231	24	10.39
workhomeequip	231	24	10.39
finmandate	173	15	8.67
finbusiness	173	15	8.67
histemplgrant	71	6	8.45
histemplacad	71	6	8.45
histemplnonacad	71	6	8.45
histemplno	71	6	8.45
histemplunempl	71	6	8.45
finoth	173	14	8.09
finprojoth	173	14	8.09
fingrantoth	173	14	8.09
finprojsnsf	173	14	8.09
fingrantsnsf	173	14	8.09
creativity	266	21	7.89
productivity	266	21	7.89
incmain	249	19	7.63
incmainchf	249	19	7.63
motivation	266	20	7.52
exchangework	266	19	7.14
finnothird	173	12	6.94
exchangeacar	266	18	6.77
histemplend	74	5	6.76

Some variables, e.g., extra income, have a high level of missing values due to the fact that participants left the field empty instead of writing 0.

4.7 Estimation method for nonresponse weights

As the study rests on a full coverage survey without any sampling, weights accounting for unit-nonresponse should be applied in case unbiased estimates of the study population are required. In the following, we describe the estimated nonresponse weights that can be used in cross-sectional analysis separately for each cohort.

In general, the unit-nonresponse in the CTC base surveys is rather low (approximately 10%), and participation is only slightly selective regarding survey participation (for further information, see Widmer et al., 2019, pp. 13-15, and Widmer et al., 2020b, pp. 17-20). Nevertheless, we observe panel attrition in the monitoring surveys. Therefore, we estimated nonresponse weights based on auxiliary data in the form of administrative information (sampling frame) of the study population (see Section 4.2). All weights are based on frame data only and are estimated at the person level (variable *IDperson*) rather than at the application level (variable *IDapplication*). Consequently, every person applying for funding for the first time is associated with a nonresponse weight (variable *nonrespweight*).

The nonresponse weights are based on a respondent's probability of participating in the base survey using a logistic regression with prominent background variables (Watson and Wooden, 2009; for example Kroh and Spieß, 2008), which are generally related to sample selectivity (see Widmer et al., 2019, pp. 13-15) and which were available from the sampling frame (frame-only weights). The inverted participation probabilities were then taken as nonresponse weights (Horvitz and Thompson, 1952, pp. 663-685). The following frame data (from the base survey) was used to estimate the nonresponse model: age mean centered (based on year of base survey: year of survey - *birthyr*); gender (*gndr*); funding scheme (scheme at base survey, *schemeappl*); research domain (*domain*); research institution (recoded *institutionplace* into Swiss versus foreign or unknown at the time of the base survey); and interactions between gender, funding scheme, research domain of application, and research institution.

No truncation of the weights was used, as the variance of the weights was low. Furthermore, the nonresponse weight was standardized in the sense that the weights were nominated to the population size ($[\text{weight of an element} / \text{sum of all elements weights}] \times \text{sample size}$; variable *nonrespweight_std*).

Note that respondents who were not surveyed in the present cohort because they were interviewed in another cohort (see cases where the variable *status* is missing .a "No invitation") were treated as if they had not applied for a funding scheme (i.e., the population was restricted to first-time study participants). Hence, in case data sets of different cohorts will be merged, new nonresponse weights might need to be estimated based on the resulting population distributions. In addition, we recommend that longitudinal analysis should use multiple imputation for nonresponse adjustments (a multiplication of the weights from different waves would violate the assumption of independent participation, as the dropout pattern is not monotone).

In general, specification problems of the weights cannot be ruled out since the models were constructed using a pragmatic approach that only included attributes from the sampling frame. Therefore, the impact of the design weights on the estimates should be evaluated for

each analysis. Depending on the analysis aim, individual weighting factors will need to be considered.

Generally, when one wants to estimate inferences, using (standardized) weights might be considered. We recommend using the standardized weights, in case one wants to estimate (basic) inferences or (relative) distributions of survey variables. As weights are standardized by each wave, one should use the unstandardized weights in case waves are aggregated.

Invitation email sent on October 14, 2021

Regarding:

Invitation to participate in the follow-up survey of the Career Tracker Cohorts (CTC)

Dear <title> <last name>,

You applied to an SNSF career funding scheme in the past and you are therefore part of the Career Tracker Cohorts study. This study is conducted by the University of Bern on behalf of the SNSF. The goal of the study is to gain a better understanding of the career paths of (former) researchers and of the impact of SNSF career funding. To that purpose, everyone who applied to an SNSF career funding scheme at the postdoctoral level is invited to take part in brief yearly surveys. You took part in these surveys in the past, and we would like to keep track of your work situation and your personal life situation.

We kindly ask you to participate in this follow-up survey. Completing the survey will take about 15 minutes. Your data will be treated with strict confidentiality. The results of the study will be published anonymously so that the respondents cannot be identified.

To participate in the survey, please click the following link:

<survey link>

Further information about the project can be found on our website www.careertrackercohorts.ch. If you have any questions or concerns, do not hesitate to contact the project team. You can reach us by phone at +41 31 684 48 85 or by email at info@careertrackercohorts.ch.

Thank you very much for your valuable contribution.

Sincerely,

Interfaculty Centre for Educational Research

Regarding:

Reminder to participate in the follow-up survey of the Career Tracker Cohorts (CTC)

Dear <title> <last name>,

Recently, we invited you to participate in the follow-up survey of the Career Tracker Cohorts study, conducted by the University of Bern on behalf of the SNSF. This study aims to **track all possible kinds of career paths**, as diverse as they are, be it in academia or not, with SNSF funding or not. Therefore, **the study depends on the participation of those who have received SNSF funding and particularly also on those who have not received such funding.**

We kindly remind you to complete the survey. It will take about 15 minutes. Your data will be treated with strict confidentiality. The results of the study will be published anonymously so that the respondents cannot be identified.

To participate in the survey, please click the following link:

Thank you and reminder email by the SNSF (second reminder) sent on October 26, 2021

Dear Sir or Madam

You have recently received an invitation to participate in the follow-up survey of the Career Tracker Cohorts study, and many of you have already done so. We thank you very much for your participation!

It is very important that all (former) SNSF grantees participate in this follow-up survey so that the results of the study are representative and the SNSF funding schemes can be improved and adapted to the needs of the research community.

We therefore kindly ask those of you who have not yet completed the survey to do so. Unless you have already participated, you will shortly receive another email with your personal link from the project team of the University of Bern. If you do not receive such a link, please check your spam folder or contact the project team at info@careertrackercohorts.ch.

Your participation in the Career Tracker Cohort study is unrelated to any evaluation and administrative procedures. Your data will be treated with strict confidentiality.

To keep up to date with the project, you can visit the website www.careertrackercohorts.ch. Results of the study are published there at a regular basis.

Thank you very much for your valuable participation.

Sincerely,

Matthias Egger
President of the National Research Council

Third reminder email sent on November 4, 2021

Regarding:

Reminder to participate in the follow-up survey of the Career Tracker Cohorts (CTC)

Dear <title> <last name>,

Recently, we invited you to participate in the follow-up survey of the Career Tracker Cohorts study, conducted by the University of Bern on behalf of the SNSF. We kindly remind you to complete the survey by **Friday, November 12, 2021**. It will take about 15 minutes.

Your participation is very important in order to gain representative results and valuable insights into the career trajectories of academics.

To participate in the survey, please click the following link:

<survey link>

Your data will be treated with strict confidentiality. The results of the study will be published anonymously so that the respondents cannot be identified.

Further information about the project can be found on our website www.careertrackercohorts.ch. If you have any questions or concerns, do not hesitate to contact the project team. You can reach us by phone at +41 31 684 48 85 or by email at info@careertrackercohorts.ch.

Thank you very much for your valuable contribution.

Fourth reminder email sent on November 9, 2021

Regarding:

Final reminder to participate in the follow-up survey of the Career Tracker Cohorts (CTC)

Dear <title> <last name>,

This is the last reminder to participate in the follow-up survey of the Career Tracker Cohorts study. We kindly ask you to complete the survey by **Friday, November 12, 2021**. It will take about 15 minutes.

It is essential that everyone who applied for an SNSF career funding scheme takes part in the study, irrespective of whether the funding decision was positive or not. Only then can the career paths of applicants be represented accurately and the SNSF can optimize its career funding schemes.

To participate in the survey, please click the following link:

<survey link>

Your data will be treated with strict confidentiality. The results of the study will be published anonymously so that the respondents cannot be identified.

Further information about the project can be found on our website www.careertrackercohorts.ch. If you have any questions or concerns, do not hesitate to contact the project team. You can reach us by phone at +41 31 684 48 85 or by email at info@careertrackercohorts.ch.

Thank you very much for your valuable contribution.

A.2 Screenshots of the questionnaire

The following screenshots display previews of the questionnaire pages; see the attached notes for information on filters and dynamic elements. The notes also list the variables in the data set corresponding to the page. Furthermore, the source is given for questions that were adopted from other studies.

Welcome page

Dear participant, welcome to the SNSF Career Tracker Cohorts!

Thank you for taking the time to fill out this questionnaire.

Your data will be treated with strict confidentiality. The results of the study will be published anonymously so that the respondents cannot be identified.

If you have any questions or concerns, you can reach the project team by phone or email:

Phone: +41 31 631 48 85
Email: info@careertrackercohorts.ch

If you want to complete the survey by keyboard, use the following keys:

tab	cycle among questions, answers, and navigation buttons (Safari: activate "Press Tab to highlight each item on a webpage" in the advanced preferences)
shift+tab	cycle backwards
arrow keys	navigate within a radio button group
space bar	activate a checkbox or radio button; trigger a navigation button
return	trigger a navigation button

Page 67 (question 58)

Do you have budget responsibility (e.g. as project manager/managing director)?

● Please answer for your **primary** job.

Yes

→ What is your current annual budget (excluding your wage)?

● If possible, please provide the value in **Swiss francs (CHF)**. Alternatively, if you provide a value in another currency, please include the currency in the field (e.g. "80'000 EUR", "80'000 USD").

No

Variables: *budget*, *budgetnum*, *budget_raw*, *budgetnumCHF_raw*, *timepage67*

Filter: employee with leadership/managerial responsibilities and information from previous survey does not apply (*profstatus* = 3 & *samebudget* ≠ 1)

Dynamic elements: primary job instruction only if not one job

Source: Federal Statistical Office (2016a, p. 37)

Page 68 (question 59)

When did you start your current job?

● Please answer for your **primary** job.

Variables: *emplstart*, *timepage68*

Filter: working and not same job as in previous survey (*empl* ≠ 0 & *samejob* ≠ 1)

Dynamic elements: "... current business" if self-employed; instruction only if not one job

Source: Federal Statistical Office (2016a, p. 32)

Page 69 (plausibility check)

The start date of your current job (<emplstart: start date of current job>) lies before the last survey in <sdatepart: date of previous survey participated in>. Please make sure you have entered the correct date. Otherwise, please navigate back and correct the date.

Variables: *timepage69*

Filter: start date of current job is before previous survey participated in (*emplstart < sdatepart*)

Page 70 (question 60)

In which country are you employed?

● Please answer for your **primary** job.

If you have a grant or scholarship, please indicate the country in which your host institution is located.

Start typing and select an entry from the displayed list. **If no appropriate entry is found, type your answer and continue without making a selection.**

Country...

Variables: *emplplace, timepage70*

Filter: working and information from previous survey does not apply (*empl ≠ 0 & semplcntry ≠ 1*)

Dynamic elements: "... is your business located" if self-employed; primary job instruction only if not one job;
grant/scholarship instruction only if not self-employed

Source: Federal Statistical Office (2016a, p. 32)

Page 71 (question 61)

Do you work in the public sector or in the private sector?

● Please answer for your **primary** job.

- Public sector
- Private non-profit sector
- Private for-profit sector

Variables: *sector, sector_raw, timepage71*

Filter: employed and information from previous survey does not apply (*profstatus ≠ 4 or 5 & samesector ≠ 1*)

Dynamic elements: instruction only if not one job

Source: Federal Statistical Office (2016a, p. 34)

Page 72 (question 62)

Are you employed on a permanent or a fixed-term contract?

● Please answer for your **primary** job.

Permanent contract

Fixed-term contract

→ Total duration of current contract (in **months**):

I do not have an employment contract.

Variables: *contract, contractnum, contract_raw, contractnum_raw, timepage72*

Filter: employed and information from previous survey does not apply (*profstatus* ≠ 4 or 5 & *samecontract* ≠ 1)

Dynamic elements: instruction only if not one job

Source: Federal Statistical Office (2016a, p. 37)

Page 73 (question 63)

Do you have to report your working hours to your employer?

● Please answer for your **primary** job.

Yes

No

Variables: *workhreport, workhreport_raw, timepage73*

Filter: employed and information from previous survey does not apply (*profstatus* ≠ 4 or 5 & *sameworkhreport* ≠ 1)

Dynamic elements: instruction only if not one job

Page 74 (question 64)

Can you compensate overtime?

● Check all that apply. Please also answer "yes" if the number of hours you can compensate is capped.

Please answer for your **primary** job.

Yes, by taking time off

Yes, by claiming extra pay

No

Variables: *overtime, overtimepay, overtimeno, overtime_raw, overtimepay_raw, overtimeno_raw, timepage74*

Filter: report working hours and information from previous survey does not apply (*workhreport* = 1 & *sameovertime* ≠ 1)

Dynamic elements: primary job instruction only if not one job

Page 75 (questions 65 and 66)

What is your contractual work-time percentage? (full-time = 100 percent)

● If you are self-employed, please indicate the work-time percentage that would be appropriate if you would hire someone to do your job.

Work-time percentage: %

In a typical week, about how many hours do you work (including the weekend)?

● Please indicate the average number of hours you typically work per week for your job. We are interested in your actual working time, not the contractual working time.

Number of hours:

Variables: *workperc*, *workpercmain*, *workpercoth*, *workh*, *workhmain*, *workhoth*, *workhmain_raw*, *workhoth_raw*, *timepage75*

Filter: running grant or working (*grunning* = 1 or *empl* ≠ 0)

Dynamic elements: self-employed instruction only if not employed; answer categories “Work-time percentage {in primary job | for <scheme: SNSF funding scheme> grant}” and “Work-time percentage in other job(s)” if not one job

Source: Federal Statistical Office (2016a, p. 38)

Page 76 (question 67)

What percentage of your actual working time do you currently work from home?

Percentage of work from home: %

I do not currently work from home.

Variables: *workhome*, *timepage76*

Filter: running grant or working (*grunning* = 1 or *empl* ≠ 0)

Page 77 (question 68)

To what extent do you agree with the following statements concerning working from home at the moment?					
	Do not agree at all				Fully agree
	1	2	3	4	5
My work space at home is physically adequate for work (e.g. space, ergonomics).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The available resources are sufficient (e.g. phone, internet).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
When working from home, the boundaries between working and private life become blurred.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I work very efficiently when working from home.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Work I want to do when working from home is left behind because of the demands at home.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Variables: *workhomespace*, *workhomeequip*, *workhomebound*, *workhomeeff*, *workhomedem*, *timepage77*

Filter: running grant or working (*grunning* = 1 or *empl* ≠ 0 and *workhome* ≠ 1)

Page 78 (question 69)

Is the current exchange with your professional network (on-site and online) sufficient for...?					
	No, not at all				Yes, definitely
	1	2	3	4	5
... everyday work and projects	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
... pursuing your professional career	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Variables: *exchangework*, *exchangecareer*, *timepage78*

Filter: running grant or working (*grunning* = 1 or *empl* ≠ 0)

Page 79 (question 70)

How would you rate your current...?					
	Very low				Very high
	1	2	3	4	5
... work productivity	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
... work motivation	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
... work creativity	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Variables: *productivity*, *motivation*, *creativitytimepage79*

Filter: running grant or working (*grunning* = 1 or *empl* ≠ 0)

Page 80 (question 71)

What are your annual gross earnings?

● If possible, please provide the value in **Swiss francs (CHF)**. Alternatively, if you provide a value in another currency, please include the currency in the field (e.g. "80'000 EUR", "80'000 USD").

Annual gross earnings (including social security contributions, 13th month salary, paid overtime, bonuses, etc.)

Annual extra income (from mandates, royalties, expert activities, extra teaching, etc.)

Variables: *inc, incmain, incoth, incextra, incmain_raw, timepage80*

Filter: running grant or working (*grunning = 1* or *empl ≠ 0*)

Dynamic elements: answer categories “Annual gross earnings {in primary job | for <scheme: SNSF funding scheme> grant}” and “Annual gross earnings in other job(s)” if not one job

Source: Federal Statistical Office (2016a, p. 39)

Page 81 (question 72)

The following questions are about your research activities.

In your current job(s), do you conduct academic research?

● By academic research we mean research that is **not commercial or based on a mandate**.

Yes

No

Variables: *research, timepage81*

Filter: working (*empl ≠ 0*)

Dynamic elements: wording depends on the number of jobs; answer categories “Yes, in both my primary job and my other job(s)”, “Yes, but only in my primary job” and “Yes, but only in my other job(s)” if not one job

Source: European Science Foundation (2015, p. 49)

Page 82 (question 73)

In your current job(s), do you conduct mandated or commercial research?

Yes

No

Variables: *mandate, timepage82*

Filter: working (*empl ≠ 0*)

Dynamic elements: wording depends on the number of jobs and whether conducting academic research

Source: European Science Foundation (2015, p. 49)

Page 83 (question 74)

Please think of your academic research activities. In what type of research institution do you conduct academic research?

① Please answer for your **primary** academic research job.

University or (university) hospital

ETHZ, EPFL

ETH research institute (PSI, WSL, Empa, Eawag)

Other higher education institution (e.g. university of applied sciences/university of teacher education)

Other public research institute/organization

Private research institute/organization

Research division in a corporation or NGO

Other

→ Please specify:

Variables: *instit*, *institoth*, *instit_raw*, *institoth_raw*, *timepage83*

Filter: conducting academic research (*research* ≠ 4)

Dynamic elements: “Please think of your academic research activities.” only if conducting mandated/commercial research; primary academic research job instruction only if not one academic research job

Source: Limited (2017, p. 4)

Page 84 (question 75)

Please provide the name of the institution.

① Start typing and select an entry from the displayed list. **If no appropriate entry is found, type your answer and continue without making a selection.**

Please answer for your **primary** academic research job.

Variables: *institrank*, *timepage84*

Filter: conducting academic research (*research* ≠ 4)

Dynamic elements: primary academic research job instruction only if not one academic research job

Source: Federal Statistical Office (2016a, p. 32)

Page 85 (question 76)

What position do you have in this institution?

1 Please answer for your **primary** academic job.

- Doctoral student / PhD student
- Junior researcher / Postdoc
- Senior researcher
- Research associate / Scientific collaborator
- Lecturer / Reader
- Medical resident / Assistant doctor
- Chief medical resident / Attending physician
- Assistant professor without tenure track or similar
- Assistant professor with tenure track or similar
- Associate professor or similar
- Full professor or similar
- Other

→ Please specify:

Variables: *position, positionoth, timepage85*

Page 88 (question 79)

Since <sddatefield: date of most recent survey fielded>, which of the following tasks have you done in addition to your research?

Check all that apply.

- Giving/assisting courses
- Supervision of bachelor/master theses (including informal supervision)
- Supervision of doctoral/PhD theses (including informal supervision)
- Duties in boards/commissions **at** your institution (e.g. appointment committee, ethics board, working group, expert panel)
- Duties in boards/commissions **outside** your institution (e.g. editorial board, expert panel)
- Reviewing for journals, conferences, or funding institutions
- Conference organization
- I have not done such tasks

Variables: *taskcourse*, *tasksupervisbama*, *tasksupervisphd*, *taskboardin*, *taskboardext*, *taskreviews*, *taskconf*, *taskno*, *timepage88*

Filter: conducting academic research (*research* ≠ 4)

Source: Lüthi et al. (2019, 79 f.)

Page 89 (question 80)

Of your total work time in your current academic job(s), how much time do you spend on research and how much on other activities?

Please indicate the share of time you spend for each activity as a percentage. The total should sum up to 100 percent.

Research (conducting research, writing papers and proposals, attending conferences, etc.; excluding research-related administrative activities)	<input type="text" value="0"/>	%
Teaching (preparing and giving classes/lectures, supervising students, etc.)	<input type="text" value="0"/>	%
Administrative duties (accounting, personnel administration, marketing, etc.)	<input type="text" value="0"/>	%
Clinical activities	<input type="text" value="0"/>	%
Other activities	<input type="text" value="0"/>	%
Total		0 %

Variables: *activityres*, *activityteach*, *activityadmin*, *activityclin*, *activityoth*, *activityres_raw*, *activityteach_raw*, *activityadmin_raw*, *activityclin_raw*, *activityoth_raw*, *timepage89*

Source: European Science Foundation (2015, p. 48)

Page 97 (question 87)

What type of doctoral degree did you acquire?

PhD/Dr.

MD (medical doctor)

MD-PhD

Variables: *phdtype*, *timepage97*

Filter: finished doctorate/PhD (*phdend* ≠.x)

Page 98 (question 88)

What was the format of your dissertation?

Book or monograph

Individual articles/papers (cumulative dissertation)

→ Number of articles/papers:

Other

→ Please specify:

Variables: *phdformat*, *phdformatnum*, *phdformatoth*, *timepage98*

Filter: not aquired an MD (*phdformat* ≠2)

Page 99 (questions 89 and 90)

Please indicate the qualification/grade you obtained with this doctorate/PhD.

Passed (if no particular grading)

Summa cum laude, excellent, 6 (Switzerland), <1 (Germany), or equivalent

Insigni cum laude, very good, 5.5 (Switzerland), or equivalent

Magna cum laude, good, 5 (Switzerland), 1 (Germany), or equivalent

Cum laude, satisfactory, 4.5 (Switzerland), 2 (Germany), or equivalent

Rite, pass, 4 (Switzerland), 3 (Germany), or equivalent

Have you received a scientific prize or award for your dissertation (or a single paper of your dissertation)?

Yes

No

Variables: *phdgrade*, *phdprize*, *timepage99*

Filter: finished doctorate/PhD (*phdend* ≠.x)

Page 100 (question 91)

Which sources of income were available to you during your doctorate/PhD?

Check all that apply.

Individual grant/scholarship/fellowship or program to promote young researchers (e.g. funded by the SNSF, ERC, or a foundation)

Employment within a research project (e.g. funded by the SNSF, ERC, or a foundation)

Position as assistant, lecturer, or similar (without specific third-party funding) at a university or a research institute

Employment as medical resident/assistant doctor

Employment outside of university or a research institute with relation to the doctorate/PhD

Employment outside of university or a research institute without relation to the doctorate/PhD

Loan (from a bank, family, partner, friends etc.)

Financial support by family, partner, friends, etc. (excluding loans)

Other
→ Please specify

None

Variables: *phdincgrant, phdincproj, phdincassist, phdincmed, phdincemplrdoc, phdincemplnrdoc, phdincloan, phdincfam, phdincloth, phdinclothspec, phdincno, timepage100*

histnotemplunempl, *histnotemplloth*, *histnotemplthspec*, *histnotempledu_raw*, *histnotemplfam_raw*,
histnotempltrav_raw, *histnotemplhealth_raw*, *histnotempljobs_raw*, *histnotemplunempl_raw*,
histnotemplloth_raw, *histnotemplthspec_raw*, *timepage108*

Filter: having periods of non-employment between last year's employment situation and current employment situation (*histemplunempl* = 1 or *histnotempl* = 1)

Source: Federal Statistical Office (2016b, p. 22)

Page 109 (question 100)

The next questions concern your academic mobility and research productivity.

Since *<sdatefield: date of most recent survey fielded>*, did you conduct any research visits or exchanges (1 month or longer) at a university or research institute?

Do not include the transition to your host institution of your *<scheme: running SNSF funding scheme>* grant.

Yes

→ Number of visits or exchanges since *<sdatefield: date of most recent survey fielded>*:

No

Variables: *rvisit*, *rvisitnum*, *rvisit_raw*, *rvisitnum_raw*, *timepage109*

Dynamic elements: instruction only if grant is running, finished, interrupted, or terminated prematurely

Source: European Science Foundation (2015, p. 52)

Page 110 (question 101)

At which universities or research institutes were these research visits or exchanges since <*sdatefield*: date of most recent survey fielded>?

① Start typing and select an entry from the displayed list. If no appropriate entry is found, type your answer and continue without making a selection.

1st institution:

2nd institution:

3rd institution:

4th institution:

5th institution:

6th institution:

7th institution:

8th institution:

9th institution:

Variables: *rvisitinstit1rank*, *rvisitplace1*, *rvisitinstit2rank*, *rvisitplace2*, *rvisitinstit3rank*, *rvisitplace3*,
rvisitinstit4rank, *rvisitplace4*, *rvisitinstit5rank*, *rvisitplace5*, *rvisitinstit6rank*, *rvisitplace6*, *rvisitinstit7rank*,
rvisitplace7, *rvisitinstit8rank*, *rvisitplace8*, *rvisitinstit9rank*, *rvisitplace9*, *timepage110*

Filter: conducting research visits/exchanges (*rvisit* = 1)

Dynamic elements: wording and number of input fields depend on the number of research visits/exchanges

Page 111 (question 102)

Since *<sdatepart: date of previous survey participated in>*, could any of your planned research visits / exchanges / field trips not be realized?

🔍 Check all that apply.

Yes, for financial reasons (e.g. lack of funding)

Yes, for reasons concerning my own health

Yes, because of travel restrictions/bans

Yes, for other reasons

 ➔ Please specify:

No

Variables: *rvisitnofin*, *rvisitnohealth*, *rvisitnotravel*, *rvisitnooth*, *rvisitnoothspec*, *rvisitnono*, *timepage111*
Source: Wellcome Trust (2012, p. 9)

Page 112 (question 103)

Since <statefield: date of most recent survey fielded>, have you produced any of the following publications related to your research?

Check all that apply. For peer-reviewed items, please only include items that were definitely accepted within that period. For non-peer reviewed items, please include items for which the final manuscript was completed and submitted for publication within that period.

Peer-reviewed articles in scientific journals as **main author**
→ Number of peer-reviewed articles as main author:

Peer-reviewed articles in scientific journals as **co-author** (i.e. not as main author)
→ Number of peer-reviewed articles as co-author:

Non-peer-reviewed articles in scientific journals
→ Number of non-peer-reviewed articles:

Chapters for scientific books / articles in conference proceedings:
→ Number of chapters / articles:

One or several scientific books (as author or as editor)
→ Number of books:

Items of science communication (e.g. magazine or newspaper article, documentary film, popular science publications)
→ Number of items:

Other kinds of scientific publications such as publicly available working papers or reports
→ Number of other scientific publications:

None of these

Variables: *oppeermain*, *oppeermainnum*, *oppeerco*, *oppeerconum*, *opnonpeer*, *opnonpeernum*, *opbookch*, *opbookchnum*, *opbook*, *opbooknum*, *opsciecom*, *opsciecomnum*, *opreport*, *opreportnum*, *opno*, *oppeermain_raw*, *oppeermainnum_raw*, *oppeerco_raw*, *oppeerconum_raw*, *opnonpeer_raw*, *opnonpeernum_raw*, *opbookchnum_raw*, *opbook_raw*, *opbooknum_raw*, *opsciecom_raw*, *opsciecomnum_raw*, *opreport_raw*, *opreportnum_raw*, *timepage112*

Source: Wellcome Trust (2012, p. 9)

Page 113 (question 104)

Since *<sdatepart: date of previous survey participated in>*, have you attended any conferences?

Check all that apply.

On-site conferences **in** my country of residence
→ Number of on-site conferences in my country of residence:

On-site conferences **outside** my country of residence
→ Number of on-site conferences outside my country of residence:

Online conferences
→ Number of online conferences:

No, I did not attend any conferences.

Variables: *confresonsite*, *confresonsitenum*, *confoutresonsite*, *confoutresonsitenum*, *confonline*, *confonlinenum*, *confno*, *timepage113*

Source: Wellcome Trust (2012, p. 9)

Page 114 (question 105)

For the period since *<sdatepart: date of previous survey participated in>*, do any of the following items apply to you?

Check all that apply.

I presented work at an **on-site** research conference.

I presented work at an **online** research conference.

I have been awarded an academic prize.

I published research resources (e.g. data, software/code).

I produced intellectual property (patents filed/product licenses).

My research received media coverage.

I engaged in knowledge transfer activities.

None of these

Variables: *resconflive*, *resconfonl*, *resprize*, *resresource*, *resprop*, *resmedia*, *resengag*, *resno*, *timepage114*

Source: Wellcome Trust (2012, p. 9)

Page 115 (question 106)

For the period since <*sdatepart*: date of previous survey participated in>, do any of the following items apply to you?

Check all that apply.

- I could work flexibly in terms of location.
- I could work flexibly in terms of time.
- I have found access to new fields of research.
- The start of a new job/grant was delayed.
- The start of a new job/grant was canceled.
- A research project was delayed or interrupted.
- A research project was canceled.
- A planned collaboration could not be started/An existing collaboration could not be continued.
- I missed deadlines for project applications.
- I experienced shortages of material supply.
- I experienced delays in reviewing processes.
- None of these

Variables: *circloc*, *circrtime*, *circres*, *circjobdel*, *circjobcanc*, *circprojd*, *circprojcanc*, *circcoll*, *circappl*, *circmaterial*, *circreview*, *circno*, *timepage115*

Page 116 (question 107)

Since <*sdatepart*: date of previous survey participated in>, have you been sufficiently supported on the following levels?

	No, not at all 1	2	3	4	Yes, definitely 5
Financial level (e.g. further education, project funding, travel costs)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Material level (e.g. equipment, everyday things)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Emotional level (e.g. stress management, social interaction)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Variables: *supportfin*, *supportmat*, *supportemot*, *timepage116*

Source: Federal Statistical Office (2016a, 25 f.)

Page 117 (question 108)

The following questions are about your career prospects and aspirations.

When you think of your future career, how important are the following aspects to you?

	Not important at all				Very important
	1	2	3	4	5
To have a secure job.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
To earn a high salary.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
To have good career prospects.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
To work at a prestigious university/institution/company.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
To work together with renowned colleagues.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
To be provided with good equipment and infrastructure by the employer.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
To work in the same country as I work/live in now.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
To be able to work part-time.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
To be able to reconcile work and family life.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
To be able to reconcile work with other activities (e.g. professional sport, travel).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Variables: *impsecjob, impsalary, impcareerprosp, impprestige, impcolleg, impinfra, impcntry, impart, impworklife, impothact, timepage117*

Source: Federal Statistical Office (2016a, 25 f.)

Page 118 (question 109)

And how important are the following aspects for your future career?

	Not important at all				Very important
	1	2	3	4	5
To work within my area of expertise.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
To be able to use my specialist qualifications at work.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
To have a job where I can put my own ideas into practice.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
To have work that corresponds to my own views and convictions.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
To be able to develop myself further in my subject area at work.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
To pursue an academic career.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Variables: *impexp, impqualif, impidea, impview, impdevelop, impcareercont, timepage118*

Source: Federal Statistical Office (2016a, 25 f.)

Page 119 (question 110)

Concerning your future career, what do you aspire to most?

- Full tenured professorship
- Scientific position **within** academia
- Scientific position **outside** of academia
- Management position **within** academia
- Management position **outside** of academia
- Self-employment
- Other

→ Please specify:

Variables: *aspiration*, *aspirationoth*, *aspiration_raw*, *aspirationoth_raw*, *timepage119*

Source: Federal Statistical Office (2016a, p. 18); Lüthi et al. (2019, p. 122)

Page 120 (question 111)

Please indicate to what extent you agree with the following statements:

	Do not agree at all				Fully agree
	1	2	3	4	5
Scientific work is a central part of my life.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I am confident that I am able to meet the demands of an academic career.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I have a strong commitment to scientific work.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The most important things that I experience are related to scientific work.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Variables: *sciecentr*, *sciedemands*, *sciecommit*, *sciemostimp*, *timepage120*

Source: Berweger (n.d., p. 8)

Page 121 (question 112)

And to what extent do you agree with the following statements concerning your professional future?					
	Do not agree at all				Fully agree
	1	2	3	4	5
My career is currently advancing the way I want it to advance.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I am worried about my professional future.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I expect difficulties in finding an appropriate job / funding in the future.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I am thinking about changing my career plans.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Variables: *futcar, futworr, futjob, futplan, timepage121*

Page 122 (question 113)

The next section contains questions about yourself and your life situation.					
How would you assess your well-being at present?					
	Not well at all				Very well
	1	2	3	4	5
Physical well-being	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Mental well-being	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Variables: *wellphy, wellment, timepage122*

Page 123 (questions 114 and 115)

The next section contains questions about yourself and your life situation.

Do you currently have a partner?

Yes

No

What is your marital status?

Single (never married and never in a registered partnership)

Married

Married, but legally separated

Divorced

Widowed

Registered partnership

Registered partnership dissolved

Registered partner passed away

Variables: *partner*, *marital*, *timepage123*

Source: Huber et al. (2015, p. 29), Tesch (2015, p. 81), Federal Statistical Office (2016a, p. 49)

Page 124 (question 116)

In *<sdatepart: date of previous survey participated in>* you reported, that you have *<schilrennum: number of children in previous survey>*. In the meantime, have you had another child?

Yes

→ Number of **newborn** children:

No

Variables: *childrennb*, *childrennbnum*, *timepage124*

Filter: children in previous survey (*schilren* = 1)

Page 125 (question 117)

Do you have children?

Please include children of full age.

Yes

→ Number of children:

No

Variables: *children, childrennum, children_raw, childrennum_raw, timepage125*

Filter: no children in previous survey (*schildren* ≠ 1)

Source: Federal Statistical Office (2016a, p. 49)

Page 126 (question 118)

When were these children born?

Please enter the birth years.

1st child: 

2nd child: 

3rd child: 

4th child: 

5th child: 

6th child: 

7th child: 

8th child: 

9th child: 

Variables: *child1, child2, child3, child4, child5, child6, child7, child8, child9, child1_raw, child2_raw, child3_raw, child4_raw, timepage126*

Filter: new born children since previous survey (*children* = 1)

Dynamic elements: wording and number of input fields depend on the number of children

Source: Federal Statistical Office (2016a, p. 49)

Page 127 (question 119)

Apart from you, who else lives in your household?

Check all that apply.

Partner / Spouse

Children

Other adults

No one, I live alone

Variables: *livsitpartner*, *livsitchildren*, *livsitadult*, *livsitalone*, *timepage127*

Source: Federal Statistical Office (2016a, p. 49)

Page 128 (question 120)

In your household, who is responsible for domestic work (cleaning, cooking, laundry, shopping, home maintenance, etc.)?

Mostly/Only me

Me and other household members in equal parts

Mostly/Only someone else from the same household

Mostly/Only a third party (e.g. cleaning staff)

Variables: *chores*, *timepage128*

Dynamic elements: 2nd and 3rd answer categories only if living with other people

Page 129 (question 121)

Between you and the other parent, how do you share childcare responsibility?

I am solely responsible.

I am mostly responsible.

We share the responsibility in equal parts.

The other parent is mostly responsible.

The other parent is solely responsible.

No childcare necessary

Variables: *childcarediv*, *timepage129*

Filter: having children (*children* = 1)

Page 130 (question 122)

On how many half-days per week (excluding the weekend and excluding evenings) do you personally look after your children?

- 0 half-days
- 1 half-day
- 2 half-days
- 3 half-days
- 4 half-days
- 5 half-days
- 6 half-days
- 7 half-days
- 8 half-days
- 9 half-days
- 10 half-days

Variables: *childcarenum*, *timepage130*

Filter: responsible for childcare (*childcarediv* ≠ 5 or 6)

Dynamic elements: wording depends on the number of children

Source: Berweger (n.d., p. 11)

Page 131 (question 123)

In a typical week, who else looks after your children?

Check all that apply.

- Other family or household members (excluding yourself and the other parent)
- External day care / day school
- Au-pair or nanny at your own home
- Babysitter
- Other
 - Please specify:
- No one else

Variables: *childcarefam*, *childcareext*, *childcarenanny*, *childcarebabys*, *childcareoth*, *childcareothspec*, *childcareno*, *childcarefam_raw*, *childcareoth_raw*, *childcareothspec_raw*, *timepage131*

Filter: childcare necessary (*childcarediv* ≠ 6)

Dynamic elements: wording depends on the number of children

Source: Berweger (n.d., p. 11)

Page 135 (question 127)

If there is anything else you would like to say (in regard to the entire survey), please share your thoughts in the field below.

Variables: *timepage135*

Page 136 (address request)

We are looking forward to contacting you in one year for the next follow-up survey. We are aware that many participants will be working at another institution by then. Therefore, we ask you to enter your permanent email address in the field below for future communication. We ensure that your contact data is by no means stored together with the survey data.

Permanent email address:

Variables: *timepage136*

End page

You have reached the end of the questionnaire. Many thanks for your valuable contribution!

For more information on the SNSF Career Tracker cohorts see www.careertrackercohorts.ch.

This survey has been implemented using [limesurvey](https://limesurvey.org/), an open source product.

A.3 List of variables in the main data set

<i>IDperson</i>	CTC person ID
<i>IDapplication</i>	CTC application ID
<i>bscheme</i>	Funding scheme applied for
<i>residence</i>	Place of residence
<i>fundingstatus</i>	Status of SNSF grant applied for between 2018/08 and 2018/09
<i>fundingrel</i>	Has relevant grant(s)
<i>gnum</i>	Number of relevant grants
<i>IDapplication1</i>	CTC application ID of previous application 1
<i>scheme1</i>	Funding scheme of previous application 1
<i>application1</i>	Date of previous application 1
<i>IDapplication2</i>	CTC application ID of previous application 2
<i>scheme2</i>	Funding scheme of previous application 2
<i>application2</i>	Date of previous application 2
<i>IDapplication3</i>	CTC application ID of previous application 3
<i>scheme3</i>	Funding scheme of previous application 3
<i>application3</i>	Date of previous application 3
<i>IDapplication4</i>	CTC application ID of previous application 4
<i>scheme4</i>	Funding scheme of previous application 4
<i>application4</i>	Date of previous application 4
<i>status</i>	Participation status
<i>nopartreas</i>	Reason for non-participation
<i>noinvitreas</i>	Reason why not invited
<i>gstatus1</i>	Status of SNSF grant 1
<i>gwithdrawal1</i>	Why withdrew SNSF grant 1
<i>gwithdrawaloth1</i>	Why withdrew SNSF grant 1: other
<i>ginter1</i>	Why interrupted SNSF grant 1
<i>ginteroth1</i>	Why interrupted SNSF grant 1: other
<i>gend1</i>	End date of SNSF grant 1
<i>ginstitutnum1</i>	Number of host institutions worked at during SNSF grant 1
<i>ginstit11rank</i>	Ranking of 1st host institution worked at during SNSF grant 1
<i>ginstitplace11</i>	Place of 1st host institution during SNSF grant 1
<i>ginstit12rank</i>	Ranking of 2nd host institution worked at during SNSF grant 1
<i>ginstitplace12</i>	Place of 2nd host institution during SNSF grant 1
<i>ginstit13rank</i>	Ranking of 3rd host institution worked at during SNSF grant 1
<i>ginstitplace13</i>	Place of 3rd host institution during SNSF grant 1
<i>ginstit14rank</i>	Ranking of 4th host institution worked at during SNSF grant 1
<i>ginstitplace14</i>	Place of 4th host institution during SNSF grant 1
<i>ginstit15rank</i>	Ranking of 5th host institution worked at during SNSF grant 1
<i>ginstitplace15</i>	Place of 5th host institution during SNSF grant 1
<i>ginstit16rank</i>	Ranking of 6th host institution worked at during SNSF grant 1

<i>ginstitplace16</i>	Place of 6th host institution during SNSF grant 1
<i>ginstit17rank</i>	Ranking of 7th host institution worked at during SNSF grant 1
<i>ginstitplace17</i>	Place of 7th host institution during SNSF grant 1
<i>ginstit18rank</i>	Ranking of 8th host institution worked at during SNSF grant 1
<i>ginstitplace18</i>	Place of 8th host institution during SNSF grant 1
<i>ginstit19rank</i>	Ranking of 9th host institution worked at during SNSF grant 1
<i>ginstitplace19</i>	Place of 9th host institution during SNSF grant 1
<i>ghelp1</i>	How helpful grant 1 in advancing academic career
<i>gstatus2</i>	Status of SNSF grant 2
<i>gwithdrawal2</i>	Why withdrew SNSF grant 2
<i>gwithdrawaloth2</i>	Why withdrew SNSF grant 2: other
<i>ginter2</i>	Why interrupted SNSF grant 1
<i>ginteroth2</i>	Why interrupted SNSF grant 2: other
<i>gbrokenoff2</i>	Why broke off SNSF grant 1
<i>gbrokenoffoth2</i>	Why broke off SNSF grant 2: other
<i>gend2</i>	End date of SNSF grant 2
<i>ginstitnum2</i>	Number of host institutions worked at during SNSF grant 2
<i>ginstit21rank</i>	Ranking of 1st host institution worked at during SNSF grant 2
<i>ginstitplace21</i>	Place of 1st host institution during SNSF grant 2
<i>ginstit22rank</i>	Ranking of 2nd host institution worked at during SNSF grant 2
<i>ginstitplace22</i>	Place of 2nd host institution during SNSF grant 2
<i>ginstit23rank</i>	Ranking of 3rd host institution worked at during SNSF grant 2
<i>ginstitplace23</i>	Place of 3rd host institution during SNSF grant 2
<i>ginstit24rank</i>	Ranking of 4th host institution worked at during SNSF grant 2
<i>ginstitplace24</i>	Place of 4th host institution during SNSF grant 2
<i>ginstit25rank</i>	Ranking of 5th host institution worked at during SNSF grant 2
<i>ginstitplace25</i>	Place of 5th host institution during SNSF grant 2
<i>ginstit26rank</i>	Ranking of 6th host institution worked at during SNSF grant 2
<i>ginstitplace26</i>	Place of 6th host institution during SNSF grant 2
<i>ginstit27rank</i>	Ranking of 7th host institution worked at during SNSF grant 2
<i>ginstitplace27</i>	Place of 7th host institution during SNSF grant 2
<i>ginstit28rank</i>	Ranking of 8th host institution worked at during SNSF grant 2
<i>ginstitplace28</i>	Place of 8th host institution during SNSF grant 2
<i>ginstit29rank</i>	Ranking of 9th host institution worked at during SNSF grant 2
<i>ginstitplace29</i>	Place of 9th host institution during SNSF grant 2
<i>ghelp2</i>	How helpful grant 2 in advancing academic career
<i>gstatus3</i>	Status of SNSF grant 3
<i>gwithdrawal3</i>	Why withdrew SNSF grant 3
<i>gwithdrawaloth3</i>	Why withdrew SNSF grant 3: other
<i>ginter3</i>	Why interrupted SNSF grant 1
<i>ginteroth3</i>	Why interrupted SNSF grant 3: other
<i>gbrokenoff3</i>	Why broke off SNSF grant 1

<i>gbrokenoffoth3</i>	Why broke off SNSF grant 3: other
<i>gend3</i>	End date of SNSF grant 3
<i>ginstitutum3</i>	Number of host institutions worked at during SNSF grant 3

<i>sdatefield</i>	Data from previous survey: date of most recent survey fielded

<i>sdatepart</i>	Data from previous survey: date of survey participated in
<i>sscheme</i>	Data from previous survey: interrupted or running scheme
<i>sgstatus</i>	Data from previous survey: status of SNSF grant
<i>sginstit</i>	Data from previous survey: type of research institution (host institution)
<i>sgsector</i>	Data from previous survey: economic sector of host institution
<i>sgposition</i>	Data from previous survey: position
<i>sgsupervis</i>	Data from previous survey: supervisory function
<i>sgsupervisnum</i>	Data from previous survey: number of subordinates
<i>sgcontract</i>	Data from previous survey: received employment contract from host institution
<i>sgworkhreport</i>	Data from previous survey: must report working hours to employer
<i>sgovertimeime</i>	Data from previous survey: overtime compensation: yes, by taking time off
<i>sgovertimepay</i>	Data from previous survey: overtime compensation: yes, by claiming extra pay
<i>sgovertimeno</i>	Data from previous survey: overtime compensation: no
<i>sgdiscipline</i>	Data from previous survey: discipline
<i>sgnoinfo</i>	Data from previous survey: no information about grant available
<i>sempl</i>	Data from previous survey: currently engaged in paid employment
<i>sjobnum</i>	Data from previous survey: one or several jobs
<i>sprofstatus</i>	Data from previous survey: current professional status
<i>semplnum</i>	Data from previous survey: number of employees
<i>ssupervis</i>	Data from previous survey: supervisory function
<i>ssupervisnum</i>	Data from previous survey: number of subordinates
<i>sbudget</i>	Data from previous survey: budget responsibility
<i>ssector</i>	Data from previous survey: economic sector of current job
<i>scontract</i>	Data from previous survey: permanent or fixed-term contract
<i>scontractnum</i>	Data from previous survey: contract duration
<i>sworkhreport</i>	Data from previous survey: must report working hours to employer
<i>sovertimeime</i>	Data from previous survey: overtime compensation: yes, by taking time off
<i>sovertimepay</i>	Data from previous survey: overtime compensation: yes, by claiming extra pay
<i>sovertimeno</i>	Data from previous survey: overtime compensation: no
<i>sjobnoinfo</i>	Data from previous survey: no information about job available
<i>snores</i>	Data from previous survey: information why not working as researcher available
<i>sphdstart</i>	Data from previous survey: started PhD
<i>sphdend</i>	Data from previous survey: finished PhD
<i>schildren</i>	Data from previous survey: has children
<i>schildrennum</i>	Data from previous survey: number of children

<i>ssupervisnum_raw</i>	Data from previous survey: number of subordinates
<i>scontractnum_raw</i>	Data from previous survey: contract duration
<i>sgsupervisnum_raw</i>	Data from previous survey: number of subordinates
<i>supervisnum_raw</i>	Number of subordinates
<i>workhome_raw</i>	Percentage of working time work from home
<i>discipline_raw</i>	Discipline
<i>phddiscipline_raw</i>	Discipline of PhD
