Erratum to: Eur Spine J DOI 10.1007/s00586-016-4532-2

Unfortunately, the blinded version of the manuscript was published. The patients included in the study were treated at the Orthopedic Center Hochfranken, Münchberg, Germany. Ethics approval was obtained through the German arm of the Spine Tango registry from the ethics committee of the University Hospital Cologne (No. 09-182), where the German Spine Tango server module is located.
