Erratum to: 'DECKO: Single-oligo, dual-CRISPR deletion of genomic elements including long non-coding RNAs'

Estel Aparicio-Prat^{1,2,3}, Carme Arnan^{1,2,3}, Ilaria Sala^{1,2,3}, Núria Bosch^{1,2,3}, Roderic Guigó^{1,2,3} and Rory Johnson^{1,2,3*}

Unfortunately, the original version of this article [1] contained an error. In the Methods part, in the Design and Cloning of Plasmids section, a sentence was included incorrectly. The correct sentence can be found below

"The Insert-2 sequence was previously assembled from four 5'-phosphorilated oligonucleotides (IDT)".

Please also note in table S3 The oligo pDECKO_seq_R is lacking one nucleotide. The correct sequence is ATGTCTACTATTCTTTCCCC

Submit your next manuscript to BioMed Central and we will help you at every step:

- We accept pre-submission inquiries
- Our selector tool helps you to find the most relevant journal
- We provide round the clock customer support
- Convenient online submission
- Thorough peer review
- Inclusion in PubMed and all major indexing services
- Maximum visibility for your research
