

Centre for Historical Studies

When bench and food gained parity with trench:

A transnational perspective on the history and
historiography of food and non-European workers
in Europe's First World War.

Dr. Daniel Marc Segesser (Bern University) is an expert on the history of the First World War and the concept of 'total war' in particular. He examines the many elements of warfare and its meaning from a global perspective.

Monday, 10 April at 4 p.m.
Harmonie building, 1315.0031
All Welcome!

Seminars are organised by the Centre for Historical Studies | www.rug.nl/research/icog
